Applications online are available on the school's Web site. Paper forms are available from the Admissions Office or can be downloaded online. The completed admission form and/or documents should be sent to:

Application deadlines: January 15 for 6th grade applicants (6^{ème}) and March 15 for all other grades. Deadlines are waived for non-residents planning to move to Paris. Admission procedure

- **School presentation.** Presentations of EABJM, followed by a Q&A session, take place almost weekly throughout the year. Dates are available on our Web site. We require that parents attend a school presentation—even alumni and parents who have or have had children enrolled at EABJM. Please confirm your presence at one of these presentations by email: admissions@eabjm.net
- **Meeting parents and student.** An appointment is scheduled with a school department head, the Director of Admissions or the school Principal. We request that *both* parents come with their child to this meeting, which lasts approximately 30 minutes.
- **6th grade (6^{ème}) applicants who reside in France** are invited to the school to take a 3-hour aptitude test (COREP) and, for students who have had some previous exposure to English, a 30-minute English language test.

Notification

The Admissions Committee examines the 6th grade (6^{ème}) applications in early March and notifications are mailed by March 31. For the other grades, the Admissions Committee meets in mid-April and notifications are mailed by April 30.
