**PAYMENT TERMS**

A - Term fees are payable in advance on September 15, December 15, and March 15 of each school year. Annual fees are payable at the time of the first payment. If payment is not made by the due date, interest will be charged at the annual rate of 12% from the date when payment is due.

B - Failure to meet payments on time may result in denial of admission to class. Parents will be responsible for all legal expenses incurred.

C - Registration is effective only upon receipt of the registration fee and of a deposit equal to one term's tuition. The registration fee is only required for new students. The registration fee is not refundable and the first term tuition is refundable only in the event of documented 'force majeure' notified to the school by registered mail, return receipt requested, before June 15<sup>th</sup>. Every term begun is due in full. If a student withdraws for reasons of force majeure, special arrangements can be made, at the school's sole discretion, between the family and the administration.

D - When a student must leave the school during the school year, the family must notify the administration by registered mail, return receipt requested, at least one month before the end of the term; failure to do so entails payment of tuition for the following term. Lunch and transportation fees are subject to the same rules.

E - Families are financially responsible for any damage to school property or equipment caused by their children. Invoices concerning reimbursement for the costs of such damages will be due within thirty days.
